Artistic expression can be powerful for people with epilepsy.  
Art can say things that words can't.

“Through the process, I discovered a lot of talent and passion in myself that I didn't even know existed.” – *Studio E* Participant

**Date: July 13<sup>th</sup> – August 17<sup>th</sup> 2017 (TEENS)**  
**Time: Every Thursday from 9:00 A.M. until Noon**  
**Place: Epilepsy Foundation of Texas**  
**2401 Fountain View, Ste. 900**  
**Houston, TX. 77057**

Admission: Free, a limited amount of space available.

Please note that this program is offered exclusively to people with epilepsy.

**Epilepsy Foundation Texas** is excited to bring you the opportunity to express yourself through art as part of a multi-week art therapy program. You'll work with art therapists and other people with epilepsy in a group setting to create artistic pieces using a variety of mediums, strengthen your artistic voice and learn from others in an open, welcoming environment. Your artwork may also help raise awareness about the realities of life with epilepsy.

More than 2,000 people from across the country have participated in *Studio E* since it was introduced in 2011. Don't miss your chance to experience this meaningful art therapy program.

If you would like to sign up for *Studio E*, please contact **Pat Cade** at [pcade@eftx.org](mailto:pcade@eftx.org) by **June 15, 2017**
